

# Ecojesuit

## Vision, Mission, Goal, and Strategic Objectives

### Vision

A diverse global society that takes responsibility for caring for neighbor and for a sustainable Earth

### Mission

With roots in community, to contribute to global and regional dialogue and action in response to the values and changes necessary for sharing in a sustainable Earth.

### Goal

Ecojesuit is the global ecology network of Jesuits and partners.

The goal of Ecojesuit is to facilitate dialogue and engagements to reconcile with God, one another, and Creation, addressing the broad call for action of Laudato Si' and the urgency of a just global transformation in care for the Earth and the most vulnerable.

This involves Jesuit social, educational and pastoral institutes, as well as other religious congregations and the

Church, the scientific community, faith-based organizations and movements, civil society, Indigenous Peoples and those seeking the common good. Ecojesuit encourages, shares information and approaches, animates and collaborates with Jesuit Conferences in fulfilling their mission.

From 2019 to 2023, Ecojesuit commits to engage, educate and advocate Action for Water and its integral relationship with people and with the environment.

### Strategic Objectives

- Promote global cooperation
- Accompany regional actions
- Support local initiatives
