Discernment, Depth, Action and Mission

With the release of the Universal Apostolic Preferences (UAPs) to guide the Society of Jesus and its works for the next 10 years, the Reconciliation with Creation program of the Jesuit Conference Asia Pacific (JCAP) is organizing a Laudato Si' spirituality for action workshop from 5 to 9 August 2019 at Balay Laudato Si' in Bendum, Bukidnon in northern Mindanao, Philippines.

With a focus on discernment, depth, action and mission, the workshop intends to provide participants ways by which to deepen their work in the different ministries. The workshop also hopes to allow participants experience a process that contributes to a profound personal, community, and institutional conversion to transform our lives and ways of working.

The JCAP-RwC workshop objectives are to:

- Provide an understanding of the UAPs as the basis for experiencing a deeper collaboration
- Develop amongst participants a context for deeper spiritual conversation as discernment is approached
- Engage in a deepened collaboration with people in the margins, the youth, and the degrading environment
- Explore creative and deep ways to respond to the struggle for a positive engagement with a secular society that has yet to mature

For those interested to join, please send an email to Sylvia Miclat at ecojcap@gmail.com. Workshop participants are requested to cover their travel expenses to Mindanao, after which workshop organizers will take over once participants arrive in Mindanao.
